**Date: June 29, 2009**

**NEW LOCATION of  
Closing Sunday, July 26<sup>th</sup>  
Fireworks at Canal Fest.**

For the first time, the Grand Finale Firework display will actually be shot off on-site at Canal Fest from the Renaissance Bridge, right over what the 8 day festival is all about, the Erie Barge Canal.

After a live performance by Lance Diamond on the Gateway Stage, Sweeney Street, starting at 7:30pm, you will be able to enjoy this spectacular ending to the 2009 Canal Fest.

Although some of the booths may not be fully operational, food and refreshments will be available as will the rides and games.

All boats docked in the "safety zone" will be asked to move and limited access to the waterway will be in effect for this lightshow performance. Please check with the Harbor Masters or Canal Fest Officials - BEFORE the night of the event - for more information on this.
