Each ticket is good for one ride, regardless of size with the exception of the Vortex which requires 2 presale tickets. There is a small convenience fee of \$1.75 per 12 ride card when you purchase on-line.

These tickets can be used any time during Canal Fest 2009 and can be saved for use another year, or at another event where Powers Great American Midway is the ride concessionaire. Since this price represents a considerable savings from the normal ticket price, these presale tickets are only available until Saturday, July 18, 2009. None will be sold once Canal Fest '09 begins on Sunday, July 19.

Presale tickets can also be purchased in person at the following locations: In the City of Tonawanda, at Lane Jewelers, 28 Seymour St., Tops Young Street, Tops Niagara St., and Walgreens Drug Store, corner of Delaware and Young Sts.

In the City of North Tonawanda tickets are available at Tops Meadow Drive, Budwey's Super Market, 535 Division St., The Corner Store, 1091 Oliver St., and The Herschell Carrousel Factory Museum, 180 Thompson St.

In Kenmore-Buffalo, they are available at Budwey's Supermarket on Kenmore Ave and Tops Sheridan and Delaware.

Powers Great American Midways will be providing the rides and midway. A percentage of the proceeds from ride tickets will benefit the daily operation of the Herschell Carrousel Factory Museum. The Carousel Society of the Niagara Frontier invites all Western New York residents to take advantage of this reduced price ticket opportunity. For further information about the presale tickets call the museum at 693-1885.
